RE: Resolution

Funds from the Target Corporation will be used for the following:

Family Day

This is a public event open to the community. Hours are 12:00 noon until 4:00 p.m. The Museum will have art-making activities, refreshments, a story-teller, a clown and character-building puppet show, family tours of the galleries, movies and musical entertainment.

Teacher Newsletter

The Teacher Newsletter is a biannual publication for K - 12 teachers in Region 19, with nearly 200 public schools within 12 independent school districts and private schools. Via the newsletter, the Museum's Education Department promotes programs for area schools. The Teacher Newsletter makes it possible to disseminate information about Museum services and programs to all teachers in the area.

Neighborhood Kids

This multi-visit program works with the schools in the neighborhood immediately adjacent to the Museum. The area is known as the *Second Ward* or the *Segundo Barrio* and is among the poorest communities in the United States. The goals of the program are twofold. First, it works with the teachers of all subjects to integrate art into their classrooms. Second, it introduces the students to the Museum with the goal of making them feel comfortable in the Museum. This has resulted in many families coming to the Museum. Funds will be used to pay instructors salaries.
